30 Days in This Body

A guided journal from Sigil and Scribe

One prompt a day. Thirty days of listening to the body you live in.

How to use this journal

Each day gives you one reflection prompt, one line for gratitude, and a weather check for your mood.

There are no wrong answers and no unfinished days. Write a page or a sentence. Skip a day and come back. This journal does not grade you.

For the weather, circle what fits: sunny, cloudy, stormy, foggy, or clear night. Nobody fails at being cloudy.

When the 30 days are done, the journal is done. Keep it, gift it, or start again from day one.

A reflection tool, not therapy or medical advice.
