Your Daily Spark Sheet – Let's Get Started!

Welcome to your 2-minute magic moment! 🌿

1. **Grab a Pen:** Any pen or pencil works – no fancy tools needed.
 2. **Set an Intention:** Think of one thing you want today (e.g., peace, focus). Jot it down.
 3. **Doodle Freely:** Draw a simple shape or swirl to hold that feeling – no rules, just fun!
 4. **Place It:** Put your sheet where you'll see it (desk, mirror).
 5. **Feel the Shift:** Glance at it when you need a boost. That's it – you're empowered!
- Try it daily – see where it takes you!
