Take 5 minutes to clear your mind with these journaling prompts.

Write freely in the spaces below. No rules, just your truth.

1. Morning Momentum: "What is one tiny win I can claim today? How will it ripple?"
2. Midday Check-In: "What is draining my energy right now? One swap to recharge?"
3. Afternoon Anchor: "Three things I am owning in this moment, no judgment."
4. Evening Edit: "What story am I telling myself? Rewrite one line kinder."
5. Wildcard Reflection: "If today was a chapter title, what would it be?"
6. Gratitude Hack: "One hell yes from today, and why it lit me up."
